

Openfiler Open Source Project Joint Copyright Assignment

The Openfiler Project
C/O Xinit Systems Ltd
Unit 7 Skylines
Limeharbour
Docklands
London E14 9TS
United Kingdom

To whom it may concern

1. I hereby state that I (the "**Contributor**") own or have sufficient rights to contribute all source code and related material which I have ever voluntarily contributed and submitted for incorporation (the "**Contribution**") into the Openfiler Open Source product, to be compiled or integrated with the source code for the Openfiler Open Source product (the "**Product**") by Xinit Systems Limited and/or Voluna Software Ltd (the "**Umbrella Organisations**").
2. The **Contributor** (defined in clause 1) hereby assigns to the Openfiler Project joint ownership in all worldwide common law and statutory rights associated with the copyrights, copyright application, copyright registration and moral rights in the part of **Contribution** (as defined in clause 1) owned by the **Contributor** to the extent allowable under applicable local laws and copyright conventions. The **Contributor** agrees that this assignment may be submitted by the **Umbrella Organisations** to register a copyright on the **Contribution** where it may be deemed necessary and beneficial to the project and the **Product**. **Contributor** retains the right to use the **Contribution** for **Contributor's** own purposes in any way **Contributor** sees fit. This Joint Copyright Assignment (JCA) supersedes and replaces all prior copyright assignments made by the **Contributor** to the **Umbrella Organisations**.
3. **Contributor** is legally entitled to grant the above assignment and agrees not to provide any **Contribution** that violates any law or breaches any contract.

Sincerely,
